February 5, 2012

Dear Sisters and Brothers in Christ:

I write to you about a serious matter concerning the fundamental right to religious liberty for all citizens of any faith. The federal government has just dealt a blow to Catholics and all those served by the Catholic faithful through our education, health care and charity ministries.

The U.S. Department of Health and Human Services announced in January that almost all employers, *including Catholic employers*, will be *forced* to offer their employees' health coverage that includes sterilization, abortion-inducing drugs, and contraception. Almost all health insurers will be *forced* to include these items in the health policies they write. And almost all individuals will be *forced* to buy that coverage as a part of their policies.

In so ruling, the Administration has cast aside the First Amendment to the Constitution of the United States, denying to Catholics our nation's first and most fundamental freedom, that of religious liberty. And as a result, unless the rule is overturned, we Catholics will be compelled either to violate our consciences, or to drop health coverage for our employees (and suffer the penalties for doing so). The Administration's sole concession was to give our institutions one year to comply.

We cannot—we will not—comply with this unjust law. People of faith cannot be made second class citizens. We are already joined by our brothers and sisters of all faiths and many others of good will in this important effort to regain our religious freedom.

I would ask of you two things. First, as a community of faith we must commit ourselves to prayer and fasting that wisdom and justice may prevail, and religious liberty may be restored. Without God, we can do nothing; with God, nothing is impossible. Second, I would also recommend visiting [www.usccb.org/conscience](http://www.usccb.org/conscience), to learn more about this severe assault on religious liberty, and how to contact Congress in support of legislation that would reverse the Administration's decision.

May God continue to bless you and guide you.

Fraternally in Christ,

**Stewardship Reflection**

**Title: Living Stewardship**

*"So whether you eat or drink, or whatever you do, do everything for the glory of God."* (1Corinthians 10:31)  
Are you living **Stewardship** by doing everything possible for the glory of God? Or is there maybe some other way that you could generously share your time, talent or treasure for God's glory? Think about it.

**To the Generous People of  
Our Lady of Guadalupe Parish:**

Thank you so much for all your support during your recent Make A Seminarian Smile (MASS) Campaign. Hearing the call to the priesthood and fostering that vocation requires much prayer, study and patience. However, it also requires a certain financial investment to help cover the cost of books, travel, and other expenses that may occur during the years in the seminary. I am very grateful to know that there are generous people like you who are able and willing to help when the necessity arises. Please continue to keep me in your prayers during my years in the seminary. Please also continue to pray for more young men to respond to the call to the priesthood. Rest assured that your parish is in my prayers. You have certainly made this seminarian smile and I am sure God will reward you for all you have done!

God bless,  
Joshua Nevitt - Seminarian, Diocese of Camden
